

# Clean Water Sponsorships

Your support helps us fulfill our mission of providing access to clean water for the people of South Sudan. However, if you are interested in a specific sponsorship, please contact us.

## Full Sponsorship of a Water Storage and Distribution System: \$80,000

- Sole sponsorship rights
- Sponsor name will be placed on the water tower that distributes water through the pipe system and on the photo-op banner.
- Receive photos of the storage tower and banner held by community members near the system.

## 1/2 Sponsorship of a Water Storage and Distribution System: \$40,000

- Co-sponsorship rights.
- Two sponsor names will be placed on the water storage tower that distributes water through the pipe system and on the photo-op banner.
- Receive photos of the storage tower and banner held by community members near the system.

## 1/4 Sponsorship of a Water Storage and Distribution System: \$20,000

- Co-sponsorship rights.
- Four sponsor names will be placed on the water storage tower that distributes water through the pipe system and on the photo-op banner.
- Receive photos of the storage tower and banner held by community members near the system.

## Full Sponsorship of a New Well: \$20,000

- Sole sponsorship rights.
- Sponsor name will be stamped on the cement platform and on the photo-op banner.
- Receive photos of the well and banner held up by community members next to the well.

## 1/2 Sponsorship of a New Well (Co-Sponsorship): \$10,000

- Co-sponsorship rights.
- Two sponsor names will be stamped on the cement platform and on the photo-op banner.
- Receive photos of the well and a banner held up by community members next to the well.

# Clean Water Sponsorships

Your support helps us fulfill our mission of providing access to clean water for the people of South Sudan. However, if you are interested in a specific sponsorship, please contact us.

## 1/4 Sponsorship of a New Well: \$6,000

- Co-sponsorship rights.
- Four sponsor names will be stamped on the cement platform and on the photo-op banner.
- Receive photos of the well and a banner held up by community members next to the well.

## Well Rehabilitation: \$4,000

- Rehabilitation requires a separate crew, travel, and supplies—including large amounts of cement.
- Cost of rehabilitation is lower than drilling a new well.
- Receive photos of the rehabbed well (before and after) and a photo of community members holding the sponsor banner.

## Full Sponsorship of a Latrine: \$30,000

- Sole sponsorship rights.
- Sponsor name will be placed on the building.
- Receive photos of the facility and beneficiaries of the project.

## 1/2 Sponsorship of a Latrine (Co-Sponsorship): \$15,000

- Co-sponsorship rights.
- Two sponsors' names will be placed on the building.
- Receive photos of the facility and beneficiaries of the project.

## Hygiene Education Training: \$1,000

- Hygiene Teams help community members identify hygiene problems and create solutions that work for that village.
- Eight people in each village—four men and four women—participate in the program.
- Receive photos of training sessions and community members holding the sponsor banner.
